SUMMER 2024 *

Summer in Wisconsin

We all know that summer in Wisconsin means road construction, but it seems like roads are torn up EVERYWHERE this year! East Troy is on the second phase of a huge project at the intersections of Hwy ES and State Rd 20 and every week or so, there are new lane variations and freeway ramp closures. It can be very confusing, for sure!

All that road construction makes taking the bus on our adventures so much more enjoyable when someone else is driving. In this issue of the newsletter, you will find two upcoming adventures. In October, we'll be heading to Lake Geneva for a luncheon cruise around the lake, and we'll travel to Joliet's Jacob Henry Mansion in November for their *Tribute to Elvis* show.

Besides hopping on the bus, I hope that you'll take advantage of the free programs that are offered inside including this year's Medicare Updates seminar.

When I sign off, I often include 'the GLC team'. The team is comprised of my fellow Marketing Department members: Sean makes sure my emails look good and are sent out in a timely manner, Timmy helps with technical setups and takes pictures, and Stef (my boss) provides me with a ton of support. They, also, are my sounding board when I need to brainstorm ideas, or they'll lend a helping hand in whatever way is needed. I feel lucky to have them on the GLC team and to be on the Marketing team with them. Not many banks have senior groups anymore, so that's something else to feel lucky about!

Be safe on the roads. Don't let this summer's seemingly endless rain get to you; and as always, until we see you next time...enjoy your Good Life!

Cheryl,
and the rest of the GLC team!

BEAUTIFUL - THE MUSICAL

Beautiful - The Carole King Musical at The Fireside on May 23 took a look back at King's very early years when she was writing songs with her then husband Gerry Goffin and was packed with familiar hits from the late 60s to early 70s.

After the amazing performance, a quick stop just down the road from The Fireside to Jones Market provided an opportunity to pick up some Jones meat products and other items made in Wisconsin.

Where We've Been

BT - BIRTHDAY BUS

On June 13, GLC members didn't start their Backyard Treasures Birthday Bus trip to East Troy on the bus. Instead, they rode from Indian Head Park in Mukwonago to East Troy on the East Troy Electric Railroad! Once in East Troy, the group visited the railroad museum, the East Troy Historical Society, and had a step-on tour of notable homes and how their owners were part of East Troy's history.

Lunch was at Ivan's on the Square which is housed in the longest continuously running tavern in the state, East Troy House. There was time to shop around the Village Square plus a final stop at Hometown Sausage Kitchen on the way back.

SCAM ALERT

There's a new scam called 'pig butchering' where scammers use manipulative tactics to gain fund from victims by building trust online and persuading them to invest in fake cryptocurrency scams. Victims may then find they have unwittingly made additional payments before realizing they've been defrauded and could lead to the loss of other assets.

Tips to remember:

- NEVER share personal or financial information and details over the phone to someone unknown - especially if they are calling YOU - or on social media.
- Think with your head instead of your heart if you get a call from your 'grandson' or favorite 'niece' asking for bail money or to pay a hospital bill
- Educate yourself on scam tactics like love bombing and urgency creation (remember - think with your head!)

Elvis - the poor kid from Mississippi who took the music he loved - soul, gospel, and hillbilly - and transformed it into a phenomenon that stands the test of time in the world of rock and roll.

The Jacob Henry Estate Mansion will be hosting a Tribute to Elvis with highly respected tribute artist, Logan Ramey. Ramey's Elvis brings high energy, audience interaction, and a true respect for Elvis to his authentic performances of Elvis's greatest and well-loved hits. Backed by The Memphis Flash Band, expect a musical experience!

Upon arrival to the estate, guests will have time to take a self-guided tour of the beautifully kept mansion. Jacob Henry was a wealthy railroad magnate who built his home among the other stately merchant-owned homes along what was known as "Silk Stocking Row". Built over a three year period, the mansion features elaborate, hand-carved wood throughout including ornately carved fireplaces in every room and beautiful Victorian furniture. Named a National Historic Landmark, it is one of the largest and best examples of Renaissance Revival architecture still standing in the state of Illinois.

After touring the mansion and prior to the show, guests will enjoy a meal of Grilled BBQ Breast of Chicken complimented by au gratin potatoes and vegetables. The meal also includes fresh tossed green salad, warm rolls, whipped butter, dessert, and coffee or tea. Cash bar available for all other beverages.
